

IMRC 2025

International Multidisciplinary Research Colloquium

May 14, 2025

Colloquium Date
(Virtual)

CALL FOR PAPERS

The virtual colloquium invites researchers, academicians, and professionals to submit their original research papers, ensuring that they have not been submitted to any other publisher or conference.

Free Registration

University of Technology and Applied Sciences-Shinas (UTAS)-Shinas

The University of Technology and Applied Sciences (UTAS), Shinas, is a premier institution in the Sultanate of Oman, recognized for its excellence in education, research, and community engagement. Offering a diverse range of programs in business, engineering, and IT, UTAS Shinas fosters a culture of critical thinking, creativity, and lifelong learning. Through its dynamic academic community and impactful contributions to regional and global development, the Business Administration Department, UTAS Shinas is honored to host this prestigious international colloquium.

International Multidisciplinary Research Colloquium – 2025

The International Multidisciplinary Research Colloquium (IMRC-2025) is a prestigious academic event that brings together global scholars, researchers, and professionals from diverse disciplines. This colloquium aims to foster innovation, collaboration, and academic excellence by addressing global challenges through multidisciplinary perspectives. With a comprehensive agenda spanning business, economics, technology, and sustainability, the event provides a dynamic virtual platform for participants to present their research, exchange ideas, and contribute to global development initiatives.

Submission Guidelines:

- Each submission must include an abstract, keywords, full manuscript, and reference (with DOI, if available).
- The abstract should not exceed 300 words and must summarize the research objectives, methodology, key results, and implications.
- The full paper should include the following sections:
 - ✓ Introduction
 - ✓ Research Objectives
 - ✓ Significance of the Study
 - ✓ Literature Review
 - ✓ Research Methodology
 - ✓ Findings
 - ✓ Limitations and Future Directions
 - ✓ Conclusion

Important Dates:

Abstract Submission Deadline	APRIL 15, 2025
Notification of Abstract Acceptance	APRIL 22, 2025
Registration Deadline	APRIL 30, 2025
Full Paper Submission Deadline	MAY 07, 2025
PowerPoint with Video Presentation Deadline	MAY 10, 2025
Colloquium Date (Virtual)	MAY 14, 2025

Colloquium Themes:

The colloquium welcomes submissions on a wide range of multidisciplinary topics, including but not limited to:

- Business Management and Entrepreneurship
- Economics and Finance
- Artificial Intelligence and Educational Technology
- E-Commerce and Social Media Influence on Business
- Business Education
- Sustainability and the Sustainable Development Goals (SDGs)
- Multidisciplinary Innovations

Formatting Requirements:

- The manuscript must not include author identification to maintain anonymity during review. A separate title page should be attached at the beginning of the document.
- In-text citations and references should follow the APA style.
- The manuscript should be typed in Times New Roman, font size 12, single line spacing, a maximum of 20 pages (excluding references).
- The title should be in font size 16, while main headings and subheadings should be in font size 14 and 12 (bold), respectively.
- Tables and figures must be included within the manuscript rather than at the end. They should be numbered and referenced in the main text.
- Authors are responsible for adhering to academic ethics and ensuring originality in their work.
- Acknowledgments for research sponsors or funding agencies may be included, if applicable.

Papers should be submitted to the following email:

BSDEvents@utas.edu.om
